Up to now as I said to you I was spending the weekend with my parents. But on 8.3.1985 my sister will be married - she is expecting a baby. So I will stop going there quite often because the house is not such big for so many people.

Maybe you will ask me why I do not have a boy-friend. Well, Buz, it was a very bad experience for me, I would say a life mistake. I had a shock out of all that. I married my former husband from a real love and the marriage finished. So now I am - was afraid. I was disgusted with the life, I could not see the men at all. It is over, but it really did took a time.

Well, this is shortly my life story.

I have some problem with my Mummy. She is going to have the second operation within 6 months. Imagine, in September last year she had a very big operation in her abdomen. Now she is going to have another one, at the end of March - gold bladder -stones inside.

My brother after the operation - so the whole family in a very bad condition. My stepfather gets very old, nearly 70 and you could see every day how his life is getting away.

I can see the life is not easy. Well, what one can do? Only my job is nice, I like it very much, using the English the whole day.

I am sending you photos from last years. From last two years I have no photo as I had so many problems I had no mood for photographing.

Dear Buz, hope you will be better and better, if I could help you tell me, please. I am so glad you answered my letter. It looks if you are going to think about the travelling maybe you are better. Maybe you can stop in Prague when you finish all countries which you must visit? I would like to show you Prague and the whole Czechoslovakia. Maybe you can spend some holiday here? Prague is very beautiful and I am sure you would like it. Let me know if this is possible.

Will be very happy to hear from you again, very soon, do write to my Mummy's address, which is:

Dear Bouz,

~~9~~ Gene
29 Feb 88

Thank you very much for your letter.
How nice to receive good news from you,
including the possible visit here. Hope
this visit will be before the cold season.
Please, let me know first.

Waiting the visa, I am preparing my
displacement (believe me: it's not at all
easy!) / My permanent question is:
"where my next home?"

Since July 1, my daughter, [redacted]
has a new position in N.Y. (she finished
the 13 years Residency Program.)

With my best wishes for you

your friend

P.S. My best regards to [redacted]

Enclosed, a card!

Dear [REDACTED]

I am so distressed to hear of your problem and your illness. I do hope it is better for you and you are totally recovered and feeling very well. You are in my prayers as is your country.

b6
b7C

I understand your request for my assistance in locating a publisher for a small book of poems, which I will sincerely try to do. The same request was sent to me by your friend, Reverend [REDACTED] and I have written to him the same as I am writing to you regarding this request. I do not wish to be discouraging, but do not get your hopes too high as U.S. publishers traditionally do not publish foreign poetry except in rare instances. There is simply not the market for profit (good old free enterprise system!) and there is simply not much interest. The Romanian community in the United States is quite small (except in Cleveland, Ohio and in New York City).

However, I will continue to try as a member of Congress (beginning in January) to be more effective regarding my inquiries.

I hope everything is well with you and I send my best regards.

Sincerely,

Donald E. "Buz" Lukens
Congressman-Elect

Dear 

It was wonderful to hear from you recently. I too remember the pleasurable Christmas Day that I spent with you. I only wish that I could have more Christmases such as that. Please consider the gifts I gave you a token of how much I appreciate you. I hope you liked them.

My visit to Czechoslovakia was very special. I enjoyed the time we were able to spend together. I only hope that I may be able to see you again soon.

My prayers are with you and your family. I think you are wonderful people.

Sincerely,

Donald E. Lukens
Member of Congress

Dear [redacted]
We are celebrating our
third birthday today. Our best friend
are going to be with us tonight to
sing 'Happy Birthday' with us on
this happy day. We'll, however,
miss those who are far away...
How are you? I hope you are still
enjoying your work. As for me,
my work is as interesting as ever.
I am having a hard time,
that is true, trying to keep
up with latest developments, yet
I've managed to write out my
first course of lectures on the
American drama of the first half
of our century. It is going to
appear in print in a few months.
Last November, as I have already
told you, we had the 50th anniver-
sary of our chain. The English
department has grown respectable
old! Its first head, a lady, who
is now over 70, took part in

LUKENS was interviewed on 5/24/88 concerning his foreign bloc travel and contacts. LUKENS was very cooperative and talked openly about his overseas bloc travel. He advised he had never been approached by any Hostile Intelligence Service (HIS) and was fully aware of HIS techniques and procedures due to the fact that he had worked for OSI in the counterintelligence field.

LUKENS stated he had no family and has had three major cancer operations. As a member of the House Foreign Affairs Committee, his main work with bloc countries centered around human rights, religious rights and economic revitalization. He is a staunch anti-communist.

LUKENS travels to Romania, Czechoslovakia and Hungary on a regular basis in order to promote and improve the three areas mentioned above. His last trip was in December, 1987.

LUKENS admitted having regular contact with RO, HU and CZ nationals to include personal meetings while traveling overseas. However, he advised that his activities were not an item which could be exploited by any HIS.

LUKENS advised two Hungarian embassy officials had attempted to contact him upon his return to the U.S. LUKENS advised he would contact the FBI if he had any contact in the future with any bloc officials.

Based upon LUKENS' interview, WMFO considers this matter closed.
